ORDER ON I.A. NO.2/16

I.A. No.2/16 is filed by respondent No.2 seeking that the interim order granted by this Court be vacated. This court at the first instance, while granting the interim order dated 26.07.2016, has restrained the collection of enhanced fee for Online Bio-metric Refreshing Registration, in any event, Bio-metric Registration is required to continue as it is not restrained. If that aspect of the matter is taken note of, the contentions putforth seeking that the interim order be vacated to achieve the object of re-registration to weed out the Doctors who were not eligible will in any event not be defeated. Hence, the interim order does not prevent the said process and the only question that arises for consideration is with regard to the manner in which the fees has been enhanced and

the quantum of fee as fixed. In that view of the matter, detailed consideration of the rules governing the fee will have to be considered. As such the interim order does not come in the way of Bio-metric re-registration being done, if the old fee is collected at this stage. Hence, I.A. No.2/16 is disposed of with the above clarification.
